From The President

Submitted by Dwain Brown, ELE President

Summer is upon us and the neighborhood swimming pool is about to open! The pool committee has been working hard for many months preparing for opening day and the hard work has paid off. A fresh coat of paint is going on now to complete the facility touchups and everything should be ready for Memorial Day weekend. If you haven't already requested your 2009 Pool Tags, please sign the request form on page 33 of the directory and turn it in to Julie Landry now.

There was an overwhelming request for funding this year from

the Arlington Tomorrow Foundation and they did not select our matching grant project. The Board will continue to pursue funding support so that we can improve the safety and security situation in our common grounds and facilities areas. This is one of the many ideas that the Oil and Gas Lease Revenue Budget Committee is currently studying. I am hopeful that a full report from this committee will be ready for presentation at our Annual Homeowners Meeting in September.

As our neighborhood ages, the need to maintain our individual homes is just as

important as the Board's responsibility to maintain our common facilities. Please remember that most exterior renovations to your residence, including re-roofing, fence modifications and exterior paint/appearance changes, require the submittal of an Improvement Permit Application. The application is located on Page 35 of our 2009 Neighborhood Directory.

Social Update!

Submitted by Jean Christenberry, Communication Board Member

The Annual ELE Garage Sale was a huge success and what participation we had! There were 33 homes that held garage sales! Things were sold that no one expected could ever

sell and many found new keepsake treasures. We also helped Mission Arlington. Thanks to the Women's Club Garage Sale Committee for all their hard work and yellow balloons!

DIVE IN MOVIE?

Tennis Lessons Anyone?

Submitted by Clark Hellier, Tennis Board Member

We have had several requests by ELE residents for a tennis instructor.

Scott Schlesinger (nephew of ELE's Cathy Taylor, former Martin High School player and current collegiate scholarship player) is available to teach

tennis lessons this summer at the ELE tennis court or Martin High School.

Scott is back in town after May 20th. Contact Scott to set up your tennis lesson at 817-455-5150.

The secret to staying young is to live honestly, eat slowly and lie about your age.

From The President (continued from pg. 1)

This is a quick and easy process that is not intended to prohibit homeowners from working on their residence, but to insure on behalf of the Association that the Architectural Guidelines are being followed. These requirements are provided in the

ELEHOA Bylaws, Covenants, Restrictions and Conditions and are further explained in the Guidelines for Architectural Control. These two documents are available on our neighborhood internet site, www.elehoa.com. If you have any questions about

these rules please contact any member of the Architectural/Rules Committee for assistance.
