From The President

Submitted by Mike Gerro, ELE President

Greetings Neighbors,

Well it's been a nice and, at times, challenging winter season. Once again springtime is upon us and it is wonderful to see the trees and flowers beginning to bloom, as we begin a season of renewed spirit and beginning.

Your board has made some good progress thus far this year. I hope you all will appreciate and enjoy our nice landscape and common areas and will soon be enjoying our pool and clubhouse. We will soon begin the process of cleaning and shining up the pool area and splash day will soon be upon us.

As always, your Board aims to please, so keep us informed if you see things that are not right or need improvement.

My best to all for the wonderful Spring and Easter Season.

Mike Gerro
Board President

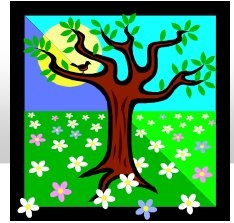

Women's Club Golf Gathering

The Enchanted Lake Estates Women's Club will be holding its monthly meeting at the Tierra Verde Golf Club in Kennedale on April 28th. At 6pm there will be a group golf lesson and at 7pm everyone will meet for dinner at the Tierra Verde restaurant. The Golf lesson will be given by Amy Fox, LPGA National Teaching and Club Professional. Amy will provide clubs and balls and an introductory lesson on the range and the mini course. Cost is \$10 for the lesson and \$10 for the dinner. All are welcome—new and old members. Bring a Friend. Questions, please call Julie Landry 817-572-6140.

Grounds Committee Update Dianne del Cid

ELE Entrances

Falcon Lake Entrance has undergone some renovation and additional plantings. The Neitzel family has graciously offered water for the new plantings. Thank you so much Neitzels!

The Lake Mead entrance water pooling and grading problem was repaired in early January by the City of Arlington Public Works. Runoff water now drains into the channel to the North. This repair came just in time for the icy weather in February.

Seasonal color for Spring/summer is now under consideration and will be installed at the entrance and the clubhouse beds by the time you read this newsletter.

Common Grounds and Clubhouse

The clubhouse front entrance beds have been renovated with installation of ground cover in place of the struggling grass under the trees. The containers have been irrigated so whatever is planted will have consistent watering.

Estimates are being requested for repairing the articulated concrete wall behind the Tennis Court that was damaged during last year's heavy rains. There has been discussion at recent board meetings concerning the issue of the eroding canals. A special committee will be formed to look into the legal ramifications of any future restoration to the area along the canal from Shorewood to the pool. In the meantime, the City of Arlington Water Department has been testing the water for any possible waste contamination and so far, the reports have been clean. The city has been aerating and adding de-chlorinated water into the canal to help with the smell that seems to invade the area every spring.

Finally, a row of Hollies was added along the fence line of the common area that parallels the road to the Lake Arlington boat ramp and park at Poly Webb. Temporary irrigation was installed with the contribution of a hook-up with the Puckett's irrigation system. A big ELE thanks to Linda and Hal Puckett for their collaboration.

ELE Neighborhood Book Club

The ELE Book Club meets the Second Thursday of Each Month.

Newcomers are welcome, but should RSVP to

Linda Puckett (817-516-7931) or to Ronnie Barker (817-478-0880).

Annual Neighborhood Garage Sale by Julie Landry

**It's that time again.
Time for the ELE Annual
Neighborhood Garage Sale.
Saturday April 16th,**

**If you plan to participate in the Neighborhood Garage Sale
please email your address and a list of any garage
sale items that you would like highlighted in the flyer.**

Email your information jlandry40@tx.rr.com

**On Friday, April 15th, Flyers and balloons will be
delivered to your home by the "Garage Sale Staff".
Please pass out the flyers to your garage sale lookers
and put out the balloons on your mailboxes to show that
you are participating.**

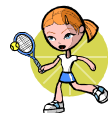

**We will purchase an ad in the Star Telegram and there
will be signs at all ELE entry ways.**

**Friday night, April 15th is an excellent night to get your street together
and hold a neighbor pre-view party.**

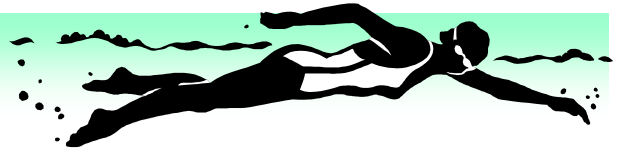

Kids Tennis, Anyone?

My granddaughter, who is 9 years old loves to play tennis. She needs a hitting partner to play on the neighborhood courts occasionally. If your child is interested please contact Lavell McCollum (grandmother) 817-239-6196.

Pool Season Reminder

Just a reminder to submit your request for pool tags.

Remember, it is a requirement to have your pool tag(s) with you when entering the pool area.

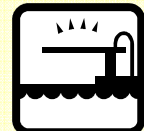

Please remember to complete your Pool Tag Form found in your ELE Directory and drop or mail to 7008 Crater Lake to receive your tags before the season begins.

Pool Tags may be picked up at the clubhouse during open hours beginning Saturday May 28th.

SPLASH DAY

Splash day will be held Saturday May 28th (Memorial Day Weekend) from 11:00 to 3:00.

Please come, bring the kids, and meet and visit with your neighbors as we celebrate the beginning of summer.

Top five projects most homeowners are unaware that require Architectural Review

1. Roof replacements
2. Fences, new or replaced
3. Repainting your house exterior when changing existing color
4. Erecting a utility/storage shed
5. Any renovation which changes the footprint or exterior look of your house

Please contact Bill Maize, Architectural Board Chair via email if you have any questions. Put "Architecture" in the subject line.
