From the President

ELE has had a busy quarter! You may have noticed, the clubhouse exterior has been undergoing a major renovation. All of the walkways leading to the clubhouse, the back deck and the pool deck have been replaced. The signs at the neighborhood entrances have been power washed, and new landscaping and drip irrigation is being installed.

Don't miss the annual Easter Egg Hunt on April 20 at the Clubhouse. The first kids that participated are now grown. It's exciting to see so many small children in the neighborhood. Bring your kids, Easter baskets and your cameras. It's going to be a fun day!

I hope you are enjoying the newly surfaced tennis courts. The light bulbs were replaced, and you can now play after dark. The neighborhood tennis club for kids is gearing up for spring. More information is included in this newsletter.

I appreciate the hard work and fiscal responsibility of the board. There are lots of ways to get involved in ELE. If you are interested, contact me or another board member. We welcome your participation. It is the people who live in Enchanted Lake Estates who make it a great place to live!
